SERIAL NO. 49

Memo. No. 100461, dated 1st June 1917, from the Press Adviser to the Deputy Chief Censor, Simla, to the First Assistant Resident in Mysore.

The following telegram has been received from the Secretary of State dated the 22nd May 1917:-

"It has been brought to notice by Press Bureau that "Englishman", Calcutta, mentions date of departure for France or Indian Labour Corps. Please draw Censor's attention as particularly in view of activity of submarines there is the strongest objection to reports of military movements".

2. The only reference to the above, which I have been able to find in the "Englishman", in a paragraph printed on page 9 of the issue dated the 19th April 1917, which gives the date of departure of a batch from Shillong. Even this very indefinite date of departure is evidently held to be objectionable by the Home authorities: and I am to request that editors of newspapers may be informed accordingly.
